## Do you know...

- many people leave the Seventh-day Adventist Church because of doctrinal disagreements?
  - there are former Seventh-day Adventists who love Jesus and know that they are saved?
- If you have questions about Adventism** or want more information about why people leave Adventism, please check the following resources:

# Instructions for producing cards...

- Paper should be 90–110 lb. index card stock/white (110 lb is best).
- Print in color if possible on your ink-jet or laser printer.
- After printing, trim sides and middle (following trim guides) to make two 4" x 6" cards per sheet.

**Note on printing:** print the same image on both sides, but “tumble” the sheets when printing the back so that the correct side of the postcard prints on the back.
